Introduction	ix
Structure and Use of the Training Manual	xi
1. Overview of Female Genital Fistula	1
1.1. Definition and Epidemiology	1
1.2. Aetiopathogenesis.....	2
1.3. Aetiological Factors	3
1.3.1. Obstetric Causes	3
1.3.2. Nonobstetric Causes.....	4
1.4. Risk Factors.....	5
1.5. Fistula Prevention.....	5
1.5.1. Clinical Prevention.....	5
1.5.2. Educational Prevention	6
1.6. Obstetric Fistula Classification Systems	7
1.6.1. Waaldijk Classification System.....	8
1.6.2. Goh Classification System.....	10
1.6.3. Prognosis	11
2. Preoperative Clinical Management	12
2.1. Patient Assessment.....	12
2.1.1. Obstructed Labour Injury Complex	12
2.1.2. Diagnosis.....	14
2.2. Conservative Management, Holistic Care and Preoperative Planning.....	17
2.2.1. Conservative Management for At-Risk and Fresh Vesicovaginal Fistula Cases	17
2.2.2. Holistic Care to Treat Associated Conditions/Comorbidities	19
2.2.3. Preoperative Planning.....	23
3. Attainment of Skills in Fistula Surgery	25
Level 1	25
Contents.....	25
Module 1 Perineal Tears.....	26
Module 2 Simple Vesicovaginal Fistula	35
Module 3 Simple Rectovaginal Fistula.....	46
Module 4 Vault Vesicovaginal Fistula.....	56

Level 2	67
Contents	67
Module 5 Circumferential Vesicovaginal Fistula.....	68
Module 6 High and Scarred Rectovaginal Fistula	80
Module 7 Vesicocervical/Vesicouterine Fistula.....	92
Module 8 Residual and Corner Fistula.....	104
Module 9 Ureteric Fistula	117
Module 10 Bladder Stones	129
Module 11 Vaginal Reconstruction	140
Module 12 Urethral Fistula and Reconstruction.....	154
Module 13 Ongoing Incontinence.....	164
Level 3	175
Contents.....	175
Module 14 Urinary Diversion	176
Module 15 Colonic Neovagina	189
Module 16 Circumferential/Stenosed Rectovaginal Fistula.....	200
Module 17 Management of a Fistula Treatment Facility.....	213
4. Complications of Fistula Surgery	221
4.1. Intraoperative Complications	221
4.2. Immediate Postoperative Complications.....	221
4.3. Late Postoperative Complications	224
5. Postoperative Care	226
5.1. Postoperative Management	226
5.1.1. Immediate Postoperative Management	226
5.1.2. Subsequent Postoperative Management	226
5.1.3. Specific Postoperative Management for Vesicovaginal Fistula	226
5.1.4. Specific Postoperative Management for Rectovaginal Fistula.....	227
5.1.5. Specific Postoperative Management for Abdominal Fistula Repair.....	227
5.2. Assessment of Surgical Outcomes.....	227
5.2.1. Assessing Outcomes Following Vesicovaginal Fistula Repair.....	228
5.2.2. Assessing Outcomes Following Rectovaginal Fistula Repair	231
5.3. Physiotherapy for Ongoing Incontinence	231
5.4. Discharge Advice	233

- 6. Audit and Research**235
 - 6.1. Audit235
 - 6.2. Research.....236
 - 6.3. Research Methods.....237
- Learning Resources**239
- Bibliography**.....242
- Index**250
