

1.6 Resources (5 minutes)

The online resources listed down here, are suitable for working on the assignments throughout the course. Please take a moment to get an overview of the different resources provided. Next to these resources there are other specific resources which will be appointed in the corresponding Learning Activities.

Search systems

- UpToDate is a concise yet complete, evidence-based, physician-authored clinical decision support resource. Unfortunately this resource is not accessible without institutional subscription. Browse their collection for Gestational Hypertension (<http://www.uptodate.com/contents/gestational-hypertension>)
- The Global Library of Women's Medicine is the educational platform for FIGO and provides textbook chapters on hypertensive disorders in pregnancy and other resources for clinical practice. (<http://www.glowm.com/>)
 - Chapter on Chronic Hypertension by Sibai, B & Chames, M (http://www.glowm.com/section_view/item/156)
 - Chapter on Preeclampsia and Eclampsia by Coppage, K & Sibai, B ([http://www.glowm.com/section_view/heading/Preeclampsia and Eclampsia/item/158](http://www.glowm.com/section_view/heading/Preeclampsia%20and%20Eclampsia/item/158))
 - Presentation "Hypertension in Pregnancy, Pre-eclampsia and Eclampsia" by Walker, J (http://www.glowm.com/resource_type/resource/lecture/title/hypertension-in-pregnancy,-pre-eclampsia-and-eclampsia/resource_doc/1215)
 - A Wall Chart about diagnosis and management of preeclampsia, suitable for patient education and training of community health workers, or (auxiliary) midwives. ([http://www.glowm.com/pdf/Pre-eclampsia wall chart.pdf](http://www.glowm.com/pdf/Pre-eclampsia%20wall%20chart.pdf))
- The Society for Maternal-Fetal Medicine was established to give Maternal-Fetal Medicine (MFM) physicians and scientists a place to share knowledge, research and clinical best practices. Especially the clinical guidelines are useful. (<https://www.smfm.org/>)

Specific guidelines

- ACOG (2013) New Guidelines: Hypertension in pregnancy (November 2013) - American College of Obstetricians and Gynaecologist Task Force on Hypertension in Pregnancy (http://www.acog.org/Resources_And_Publications/Task_Force_and_Work_Group_Reports/Hypertension_in_Pregnancy)
- ACOG (2014) Maternal Safety Bundle for Severe Hypertension in Pregnancy (January 2014) - American College of Obstetricians and Gynaecologist Safe Motherhood Initiative (http://www.acog.org/-/media/Districts/District%20II/PDFs/SMI/v2/hy_01_F_140602_PowerPoint_PDF.pdf)
- SOGC (2008) Clinical Practice Guideline: Diagnosis, Evaluation, and Management of the Hypertensive Disorders of Pregnancy (March 2008) - Society of Obstetricians and
