

3.7 Your Own Practice (10 minutes)

Please answer the following questions about your own practice and experience with research. After submitting your answers, you will be able to see an overview of the answers of your peers.

1. Are you involved in research?

Yes No

2. Is this research: clinical, fundamental, or other?

Clinical Fundamental Other

3. If your answer to the previous question was 'other', please specify this:

4. Were you ever involved in a clinical trial as an investigator?

Yes No

5. Do you think research skills training is an important feature of resident training?

Yes No

6. What do you consider important clinical questions about hypertensive disorders in pregnancy?
